

HenBo

Covid-19 Support

What we can do in HenBo?

As the Covid-19 social distancing develops we need to take care of each other, particularly for people who are sick or self-isolating

We have had a veritable army of people volunteering to help neighbours in the HenBo Community. They will be able to help with:

- collecting medicines
- shopping
- dog-walking
- post
- emergencies
- or a friendly phone call

You can phone a volunteer on either of these numbers:

(a) **07564 041 787**

(b) **07592 562 916**

Or, you can email on the HenBo email address:

covid19@henbo.org.uk

We have set up a system to pass messages on from those in need to the volunteers.

We need to be in contact yet maintaining some distance. So, to keep people in contact, one-off or regular phone calls can also be arranged

- A further plan is to grow some plants and vegetables in planters or containers - such as the one in Hengrave Road. To find out more about this contact Hannah or Amy in Hengrave Road - see email 19-03-20 or email as above and your message will be passed on,

Take care and stay well.

**Hengrave and Boveney Roads Community
(HenBo)**
